

Gardenia Public School - Examinations and Grading Policy
Effective from Academic Year 2025-2026

1. Term Structure

The academic year is divided into four terms. Term exams are held in September (Term 1), December (Term 2), March (Term 3), and June (Term 4, the annual exam). Each term carries 25 percent of the final grade. The Term 4 annual exam carries 50 percent.

2. Assessment Components

Each subject has three components: periodic class tests (10 percent), term exams (25 percent each), and the annual examination (50 percent). Students in grades 9 and 10 also sit for the All India Secondary School Examination conducted by the CBSE board in February.

3. Grading Scale

A1: 91-100 percent, A2: 81-90, B1: 71-80, B2: 61-70, C1: 51-60, C2: 41-50, D: 33-40, E1: 21-32, E2: 0-20. The minimum pass mark is 33 percent in each subject and 40 percent on aggregate. A student who fails more than two subjects must appear for the supplementary examination in July.

4. Re-evaluation

Parents may apply for re-evaluation of answer scripts within seven working days of the publication of results. A fee of INR 300 per paper applies. Re-evaluation results are announced within ten working days.

5. Attendance Requirement

A student must have a minimum of 75 percent attendance in each subject to be eligible to sit for the term examination. Medical leave supported by a registered medical practitioner's certificate is considered on a case-by-case basis.
