

Gardenia Public School - Parent Portal User Guide

Version 4.2 - Updated June 2025

1. Logging In

Visit portal.gardeniaschool.edu.in and enter the registered email address and password. New parents receive a welcome email with their temporary password on the day of admission. Please change the password on first login.

2. Features

The portal provides the following: real-time attendance, term and unit test marks, fee receipts, bus route and pickup time, calendar of school events, downloadable report cards, leave application, teacher messaging, and PTM slot booking.

3. Notifications

Parents receive SMS and email notifications for the following events: student absence, low attendance warning, fee due date, fee receipt, term result publication, school closure, and PTM reminders. Notifications can be configured under Profile > Alerts.

4. Mobile App

The portal is also available as a mobile app for Android and iOS. Search for "Gardenia Public School" in the respective app stores. The mobile app supports biometric login on supported devices.

5. Support

For technical support with the portal, email portal@gardeniaschool.edu.in or call the help desk at +91-80-2553-1235 between 9 AM and 5 PM on school days. The school office is closed on Sundays and gazetted holidays.
